## Concept Note

After the approval of the National Education Policy, 2020 of India in the Cabinet, continuous discussions have been held in different academic and non-academic forums on its various aspects. Two major facts have emerged in this context –

1. The National Education Policy, 2020 meets the expectations and aspirations of present India.
2. The required structural and functional improvement is possible only if it is implemented effectively.

The Central Government is preparing for the implementation of its first phase and has also asked for suggestions to implement this policy in a phased manner. That is why to bring out various aspects of successful implementation of this policy, discussions are taking place at various levels. Since its inception, Binod Bihari Mahto Koyalanchal University, Dhanbad, Jharkhand has always been active in such constructive works by creating appropriate educational environment. Online seminars and discussions have been organized by many colleges and university departments of this university especially on National Education Policy, 2020.

Recently in the ‘Third Conference of Academic Leadership’ held on 18<sup>th</sup> January, 2021 under the joint auspices of the NITI AYOGE and BHARTIYA SHIKSHAN MANDAL (BSM) and various academic leaders of various universities, It was felt that seminars and webinars on different aspects of implementation of the National Education Policy,2020 should be organized. In this light, Binod Bihari Mahto Koyalanchal University, Dhanbad, Jharkhand is organizing a one-day webinar on 3<sup>rd</sup> February,2020 with the theme– **“Teacher’s Role in NEP Implementation: Awareness, Orientation, Challenges & Responses”** in order to acquaint teachers with various facets of NEP,2020.
